## Launching Herbal Gardening Project

**Venue - Herbal Garden and Main Block Entrance**

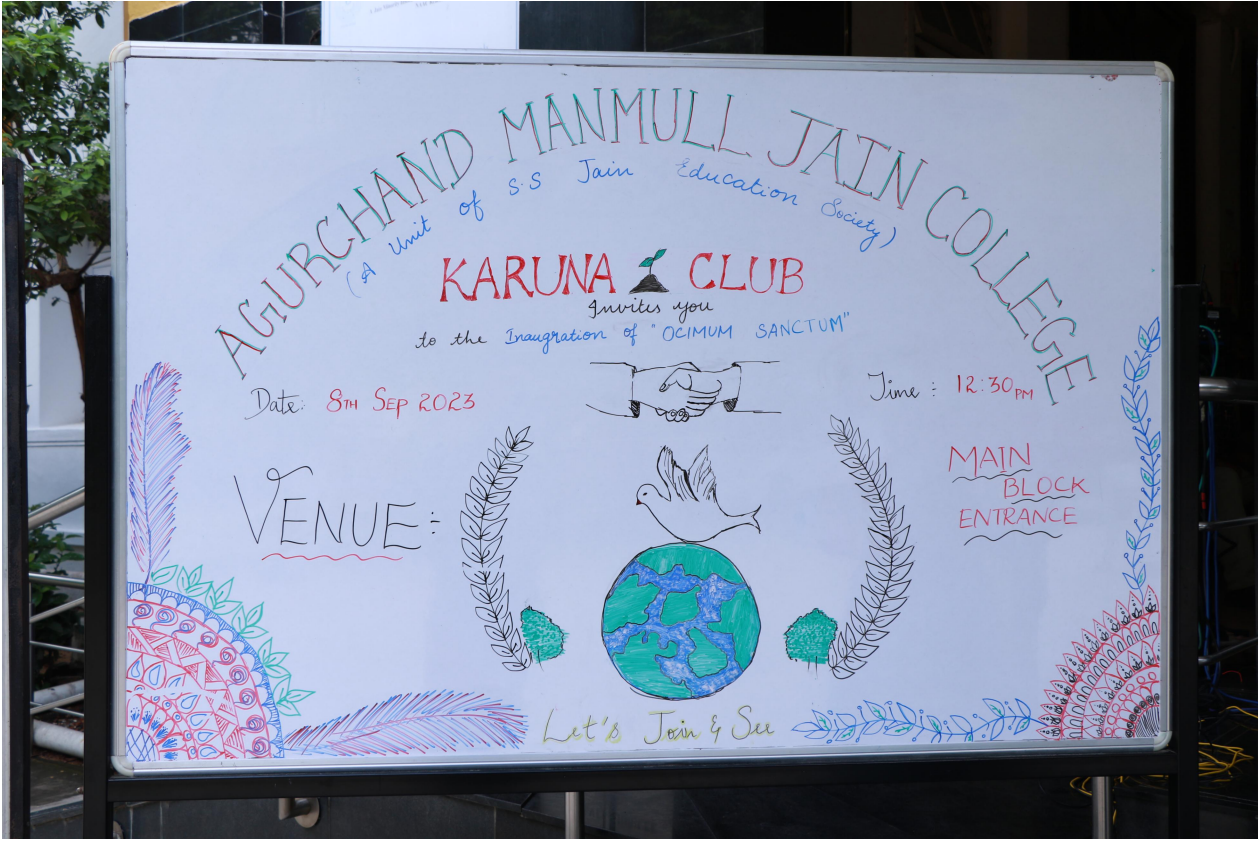

**Date - 08.09.2023 Time - 10:30am to 01:30pm**

The Karuna Club inaugurated the Herbal Gardening Project as an initiation of reconnecting with the rhythms of nature and the responsibility we hold to preserve it for future generations. The event started with an opening ceremony where dignitaries inaugurated the Herbal Gardening Project through plantation of herbs and plants further they shared their views on promoting green living and sustainability. The club also organized a flash mob including dancing, mime and singing aimed to promote widespread cultivation of herbal plants and create a greener environment.
